Customer has read and agrees to all terms and conditions as posted online at www.kellin.net. Customer also understands that they must provide their own Directory Listing and if they wish to subscribe to Reverse E911 Service, they must sign up for it with their local County Agency. Customer also acknowledges we do not support Faxing and their phone connection is contingent upon their internet connection. If your internet connection is down or you lose power, your phone will not work. We do not do Toll Free Numbers. That includes numbers starting with 800, 844, 855, 866, 877, and 888.
